

Engage helps you create valid and reliable school surveys. Get candid feedback, drive change with expert insights — and make every voice count.

Engage™

Ask the right questions

Partner with our team of education researchers to build, design, and analyze the perfect school survey. Tap more than a decade of K12 survey knowledge and get the insights you need to succeed.

Get a higher response rate

Your next survey is only as good as the number of responses it receives. Get translations in more than 38 languages and engage every member of your school community.

Turn information into action

K12 Insight goes beyond data, with fast access to expert analyses and recommendations to help your school or district chart a path to success.

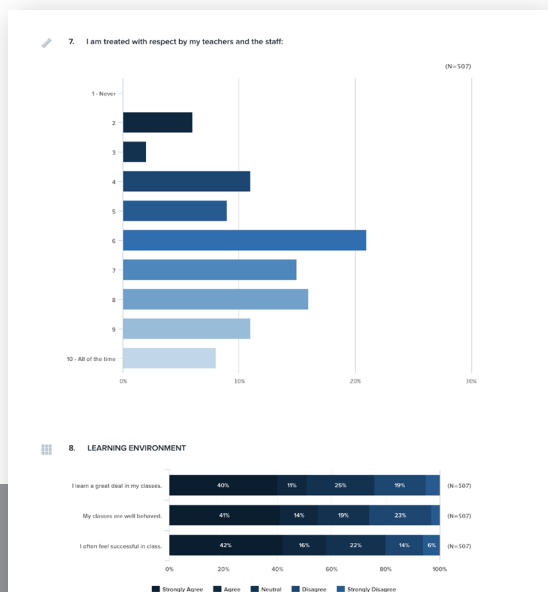

Benchmark Surveys

We've developed thousands of surveys for hundreds of districts. Choose from one of our field-tested templates, or partner with us to build your own.

- + School Quality and Climate
- + Employee Engagement and Satisfaction
- + Equity and Student Success
