

Let's Talk! helps you listen to your school community. Build relationships with parents, students, teachers and staff — and put your resources where they'll do the most good.

### Listen to your community

Add Let's Talk! to your school or district website and give parents, students, teachers, and staff an easy way to reach you.

### Collaborate on responses

Establish a culture of trust and exceptional customer service by delivering timely responses that are always accurate, courteous, and complete.

### Get 'Critical Alerts'

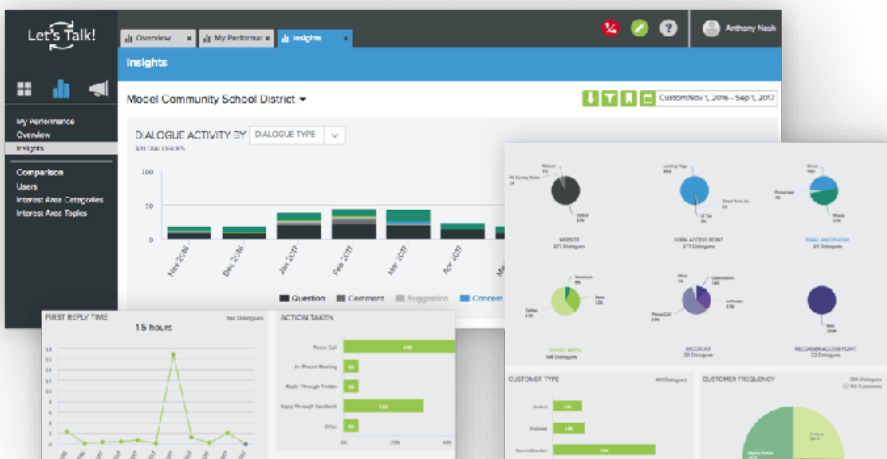

Introduce a safe, easy way to report threats (such as bullying or guns in schools) and seek help — from anywhere.

### Provide an exceptional school experience

Track your responses and measure the quality of each interaction. Then use what you learn to build support for your schools.

**“Let's Talk! made it possible to change our district culture, one conversation at a time.”**

— Dr. Charles Dupre, Superintendent  
Fort Bend Independent School District, Texas

Join the more than 30,000 school leaders who trust K12 Insight to help them turn everyday school interactions into exceptional experiences.
